## GUIDELINES FOR APPLICANTS

Applications are available at [www.nimc.co.uk](http://www.nimc.co.uk)

Please email completed applications to [info@nimc.co.uk](mailto:info@nimc.co.uk) by 12 noon on Friday 10 October 2025.

Decisions: November 2025

Please note that all purchases and minor works must be completed by Friday 13 March 2026. If you are unable to meet these conditions, you should NOT apply to this scheme as NIMC will not meet any costs incurred beyond this period.

## Guidelines for Applicants

The Northern Ireland Museums Council's (NIMC) Museum Collections **Capital Grant** Programme is funded through the Department for Communities and administered by NIMC. Please note, this programme is a Capital fund. You can apply for any equipment and/or minor works to help care for collections or make them more accessible to the public.

The programme is intended to provide maximum flexibility for eligible museums; however, we encourage applications which are aligned to Collections Care and Access.

The priorities of the scheme are to improve collections care and management standards including:

- Security and protection of the collection
- Storage equipment and materials
- Environmental conditions
- Preventative conservation

## Deadlines

Complete applications must be submitted by email to [info@nimc.co.uk](mailto:info@nimc.co.uk) by **12 noon on Friday 10 October 2025**. **Applications received after this time will not be accepted.**

If a grant offer is made, grant recipients must return the Grant Acceptance form by the date requested. This will normally be within two weeks of the Letter of Offer being sent. Any delays to this deadline must be discussed with NIMC as a formal extension may be granted if governing body approval is required before acceptance can take place. NI Museums Council cannot always honour offers where your Acceptance has been received after this date.

All purchases must be completed, and all paperwork, monitoring and grant drawdown finalised, by Friday 13 March 2026. The grant may be withdrawn after this date.

## Am I Eligible?

The NIMC Museum Collections Capital Grant Programme is open to all UK Accreditation Scheme Accredited (Full or Provisional) non-National museums in Northern Ireland.

NIMC supports non-Accredited museums and collections by providing training, advice and guidance. You should be a member to access these services. To join, please visit [www.nimc.co.uk](http://www.nimc.co.uk).

## How Much Can I Apply For?

Eligible museums can apply for **£500 - £5,000 per funding application**.

Please keep in mind that the amount of money available is limited and demand for funds is likely to be extremely high. It is not usually possible to fund all applications which simply meet the criteria or to fund the entirety of any given request.

You should be realistic in your expectations and budgets and bear in mind that NIMC may choose to fund specific elements of your proposal rather than the full request.

### Match Funding

10% of your overall cost is required. While it is preferred this funding is financial, other in-kind funding such as partnership funding or other resource contributions may be considered if detailed information is provided which shows it is demonstrably relevant to the proposed project.

### What You Can Apply For

As this programme is a Capital fund, you can apply for any equipment to help care for or make collections more accessible. This could be, but is not limited to, the following:

Equipment such as

- Environmental monitoring/environmental control
- Stores furniture
- Exhibition cases
- Digitisation equipment
- Conservation materials

What You Cannot Apply For

- Staff/administration costs
- Non-capital project costs
- Second-hand equipment without a warranty / guarantee
- Equipment service costs
- Subscription costs
- Consumables
- Purchases started or made prior to an NIMC grant offer

Please note it might be possible to pay for specialist/contractor time if the correlation between their contribution and the grant outcome taking place is clear. Please contact NIMC to discuss this or any other questions you may have before you send in your application.

### What if I have Questions?

We recommend you speak to NIMC staff before you submit your application. To do so please contact NIMC by emailing [info@nimc.co.uk](mailto:info@nimc.co.uk) and a member of staff will get back to you.
